

## SS/86 and SS/87

LED Work Lamp Range with Omega Brackets

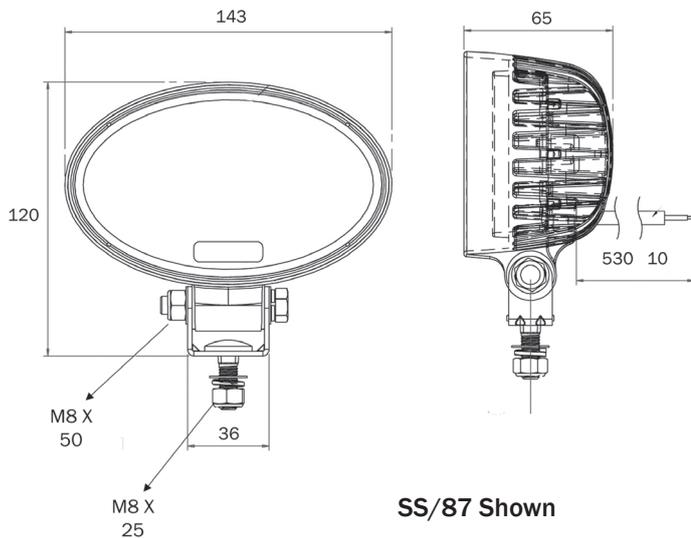

### Main Features

- Existing LED worklamps (SS/86007 & SS/87014) available with stainless-steel omega shaped Bracket with 4-point fixing for additional stability.
- Efficient heat dissipation
- 700 Lumen and 1,400 Lumen output

| Part No.      | SS/86 and SS/87                   |
|---------------|-----------------------------------|
| Light Source  | LED                               |
| Voltage       | 12/24 Volt                        |
| Dimensions    | L 143mm X H 120mm X D 65mm        |
| Housing       | ADC12                             |
| Lens          | Polycarbonate                     |
| Mount/Fixings | Omega Bracket, 4-point fixing, M8 |
| Connector     | Cable Entry                       |
| Functions     | Work Lighting                     |
| Warranty      | 3 Year                            |
| Approvals     | EMC, ECE                          |
| Testing       | IP67                              |
| Application   | Truck/Trailer/Off-Highway         |
| Power         | 12-24W                            |

### Part Numbers

SS/86907 - Round LED Work Lamp, 700 Lumen, Omega Bracket  
 SS/87914 - Oval LED Work Lamp, 1,400 Lumen, Omega Bracket
